

# Information Sheet

## Further support for Employers

As well as the support and advice provided to you by Wiltshire Centre for Independent Living, you can also access general information on being an employer from Skills for Care.

**Skills for Care** is a charitable organisation which aims to support you by providing a wealth of information. Information is available on their website [www.skillsforcare.org.uk](http://www.skillsforcare.org.uk) (select the Individual Employer Hub option) and covers the following areas:

- Finding support
- Helpful tips on how to prepare before your employee starts work
- Managing your employee
- Training and qualifications
- Keeping your employee
- Useful documents that you can amend and use
- Other help for individual employers

Skills for Care also offer an 'Employing Personal Assistants Toolkit', which is available online or in hard copy by emailing [marketing@skillsforcare.org.uk](mailto:marketing@skillsforcare.org.uk)

Advice on particular employment related issues is available by contacting the **Employment Law advice service**. This service is available to all those who have Fish employers liability insurance. Peninsula provide the employment law advice service and can be contacted on 0344 892 2480

You must quote your policy number in order to access their expertise. Taking advice from Peninsula and putting it into practice as recommended, will mean that you are covered should any action be taken against you as a result of the activity.

If you have any queries about the information provided or you would like further information, please contact the DP Adviser Team at Wiltshire Centre for Independent Living on **0300 1233 442** or [admindp@wiltshirecil.org.uk](mailto:admindp@wiltshirecil.org.uk).
